

TAGB RULE OK!

The magnificent TAGB National squad swept away all before them at the Clash of the Titans event in Huddersfield Leisure Centre on Saturday night the 14th November.

They beat the WKA (World Kickboxing Association) who had many European and World champions in their team, and were favourites for the event. They put out the Lau Gar Kung Fu team in the first round, then in the final the TAGB beat 3 times previous winners – Shorai Karate, who had put out the black belt academy team in the first round.

The TAGB team dominated the event and martial arts illustrated editor and organiser of the event Bob Sykes said the TAGB team out kicked, out punched and out swept their opponents. So we are now not just the best TKD team in the country we are the best martial arts team in the country.

Extra congratulations must go to Warren Vice who was awarded best fighter on the night, but also to coach Kenny Walton, who prepared the team magnificently for this event – well done Kenny.

Last but not least a BIG THANK YOU for all the spectators who supported the TAGB team, despite the weather conditions and the M1 being closed!

There will be a DVD available at the end of November for anyone who wishes to purchase this, the cost will be £14.95 and available from TKD Promotions.
